Sub: C.P. - Social Education - South Kanara Dt. - Community Halls - using as office of the panchayats Board - Instructions - Solicited.

Ref: From the P.E.O., S. Kanara, letter No. 1591/55 B dt. 27.11.55.

pp 1-3 cf.

Please see the letter from the P.E.O. on pp 1-3 cf. He requests specific instructions from Govt. whether community Halls, constructed both with panchayat Board contribution and Govt. contributi may be used for office purposes without prejudice to the use of the buildings fo C.D. activities. He says that some of the panchayats have contributed substantiall for building Community Halls on the assump -tion that they may be used for their office.

2. Community Halls, being used as office of the panchayat Board may not, it seems, be conducive to the proper development of communit gathering and entertainment. Any amount of inducement to the public to visit community Halls where the Panchayat Board offices are located will be of no avail in view of the "official atmosph

"Official atmosphere" that might prevail. Therefore it does not seem advisable to permit the Panchayat Board Offices in Community Halls.

The building will be monopolised by the Panchayat Bd leaving no scope for community gathering

for orders. Such permission may set up an undesirable precedent and other Local ~~Boards~~ Boards may ask for similar concession. It may be refused.

Dft/14/12/55

There may be certain buildings where the original plan allowed for a better room for the office of the Panchayat. The Collector may permit the location of the office, provided it does not interfere with the use of the building as a Community Centre. Hence no general permission but the Collector may decide each case on its merits.
